Client Review Sprint 2 - 8/10/2020
Members present: Jerrayl, Winnie, Ajay, Mehmet, Juwey

Landing Page
1. Get started now doesn't route anywhere
2. Redesign to use primary/secondary colors more, have more creative flair

Dashboard
1. No critique, looks fine

Add Portfolio
1. Add templates functionality
2. Create portfolio does not route to edit

Edit
1. UI should inspire creativity
2. Add options to change font, colour palette

View
1. "Not Authorized" shows while portfolio is loading
2. Guests unable to view public portfolios

Comments
1. No critique, looks fine
